University of Oviedo	Oviedo, Spain
University of Lund	Lund, Sweden
University of Basel	Basel, Switzerland
University of Italian Switzerland (Architecture Academy)*	Mendrisio, Switzerland
University of Italian Switzerland (University of Lugano)*	Lugano, Switzerland
Zurich University of Applied Sciences	Zurich, Switzerland

By participating in an exchange program, you'll "switch spots" with a student at one of the partner insitutions. Through an exchange, you'll get the chance to have an immersive experience, typically for a semester or even a full academic year. You can do this while still paying tuition and fees to Virginia Tech. A few notes about the partner institutions:

- The list of institutions available for exchange are subject to frequent change (last updated November, 2017).
- Not all partner insitutions are open for placement during each application cycle.
- Some partner institutions may only be available to specific majors or colleges. Programs marked with an asterisk (*) have specificity.
- Schedule an advising appointment with the Global Education Office for the most up-to-date list and information, 540-231-5888 or vtabroad@vt.edu.
